

Team Contract

Team Roles:

- Team 1: Mayca, Lars and Jacky
- Team 2: Arthur, Coralie, Maksim and Nikola

Team Guidelines:

1. **Attendance:**
 - Be here between **9:00 - 9:30 AM** every day (if you're running late or can't show up for some reason let the group or Arthur know).
 - **Leaving:** We leave together at the end of the day unless you've got a good reason to head out early (or you're staying late for personal work).
 2. **Morning Routine:**
 - **Daily stand-up meeting:** Every morning, we'll have a quick recap of what we've done and make a plan for the day.
 3. **Afternoon Routine:**
 - **Daily check-in:** Every afternoon before we leave, write in the Check-in document what you did on this day.
 4. **Communication:**
 - **WhatsApp:** This is our main channel for chatting and updates.
 - **Discord:** Use Discord for sharing pictures and files.
 - **Collaborative Decisions:** Everyone has a say in the project. If decisions need to be made, we'll vote on it as a team.
 - **Notion:** Make sure Notion is installed on your phone so you can stay on top of tasks and updates.
 5. **Workload:**
 - We're all responsible for making sure the workload is balanced. If things feel off or uneven, Mayca will help sort it out.
 6. **Rotating Feed Pulses:**
 - We'll rotate who fills in the feed pulses, so everyone has a chance to use this for their learning outcomes.
 7. **Sticking to the Plan:**
 - Stick to the project plan, if something goes wrong let Arthur know so he can adjust.
 8. **Rule Violations:**
 - If you break any of the rules, you'll get a strike. Three strikes and you owe the whole team pizza on Wednesday. Amount of strikes will be tracked on Discord.
 - If you don't complete work on the deadlines (as seen on Trello) you get a strike.
-

By signing this, you agree to follow these guidelines, contribute equally, and help keep the project on track. Let's make this project a success together!
